Groove® Seating Groove Noodle Chair

MODEL#: 33851

OVERVIEW

Comfortable seating helps students keep proper posture and provides support for back and legs. Includes flat seat pan with waterfall front edge. The chair shell comes in 13 colors and frame in Chrome or Platinum.

[\(View Height Guide\)](#)

MATERIALS

The shell is 100% virgin polypropylene material with a shallow seat pan allowing four-position seating for infinite seating styles. The back supplies rigid support while being specifically designed with added flexibility that adapts to individual requirements and supplies long lasting comfort. The shell includes an integrated handle molded in for easy movement of the chair.

The is constructed of strong 1" x 18-gauge tubing that is chrome plate or, powder coated, for long lasting, durable finish is capped off with our durable nylon base swivel glides (steel and felt also available). The shell is attached to 12-gauge brackets via a metal to metal steel riveted connection and includes an integrated handle molded in for easy pick-up and moving of the chair.
